ANSELL CHOOSES BIZCAPS BUREAU TO GO TO GS1NET AND NPC

Ansell Healthcare has chosen Bizcaps Bureau Service (BBS) to publish their products to trading partners via GS1net and the National Product Catalogue (NPC).

Ansell is a leading global manufacturer and marketer of synthetic and natural rubber latex surgical and medical examination gloves, protective gloves and apparel for industrial applications, and condoms.

BBS is a full service data entry facility that will accept product and pricing data in any almost any form convenient to a supplier and format it for loading into Bizcaps Enterprise solution and then GS1net or the NPC. BBS will validate data against GS1net or NPC rules and will assist to correct any errors. BBS can assist any size company on either a permanent or

temporary basis, from taking full responsibility for product data through to covering unexpected staff absences.

Bizcaps is a Strategic Alliance Partner of GS1 Australia and its products are certified for all verticals. BBS is part of a range of Product Lifecycle Management, Product Data Management and Business Process Management solutions available from Bizcaps.
